Long description

Using the LUXOMAT® IR-PD-DALI infrared remote control, all settings at the LUXOMAT® PD2-M-DALI/DSI and PD4-M-DALI/DSI can be made comfortably from the ground.

The great variety of programs facilitates adapting the motion detector to all individual wishes at any time ? even subsequently.

Additional features like automatically reading-in the current daylight value or the useful 2 sec.-test function are also optionally available with the IR-PD-DALI.

The lights can be switched on or off anytime with just a touch of the button. That means it is not necessary to install an additional light switch.

Comes complete with a practical wall bracket (dimensions (approx.): 63 x 29 x 19mm).
